

Why **Our** Frosted Vinyl

An alternative for tradition

Applications

Our frosted vinyl prints are suitable for branding on commercial, retail and residential windows.

Cost Effective

Frosted vinyl is more cost effective than getting your windows sandblasted.

Privacy

It is an alternative for privacy without the use of curtains and blinds.

Natural Light

Having frosted vinyl on your windows allows a maximum flow of natural light within the desired room.

Modern

It is a modern option of decoration and allows you to portray a desired image inside and outside the office or home.

Frosted Vinyl Designs

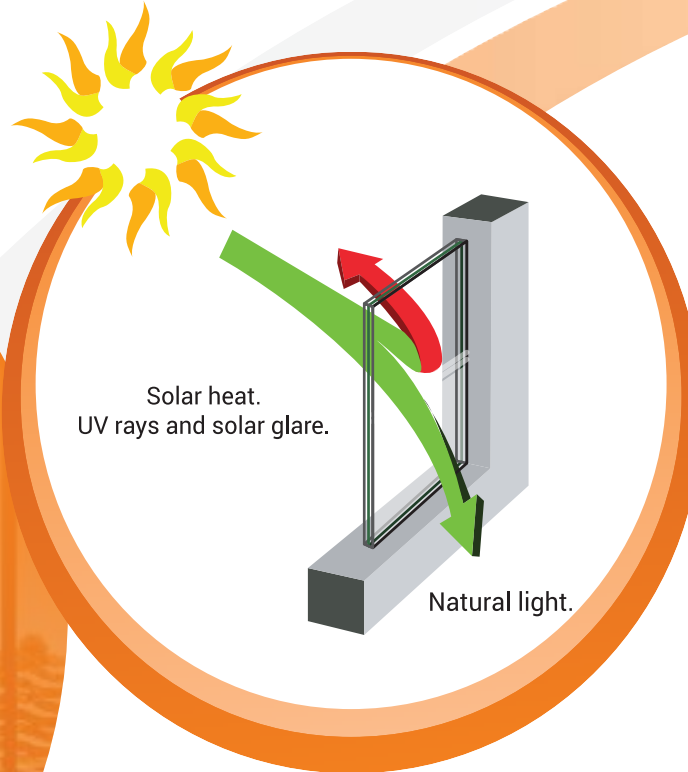

Contemporary vinyl frosting

VARIOUS OPTIONS

We provide various options of frosted vinyl designs, prints and different colours. Designs can be customised to your liking from cut out designs to printing on the frosted vinyl. Frosted vinyl is a semi-permanent application and can be professionally removed in order to place new designs on any desired window. Our frosted vinyl designs are able to help communicate an idea or message for you while being modern and simplistic.

FROSTED VINYL CAN LAST UP TO 5 YEARS

Benefits of Vinyl Frosting

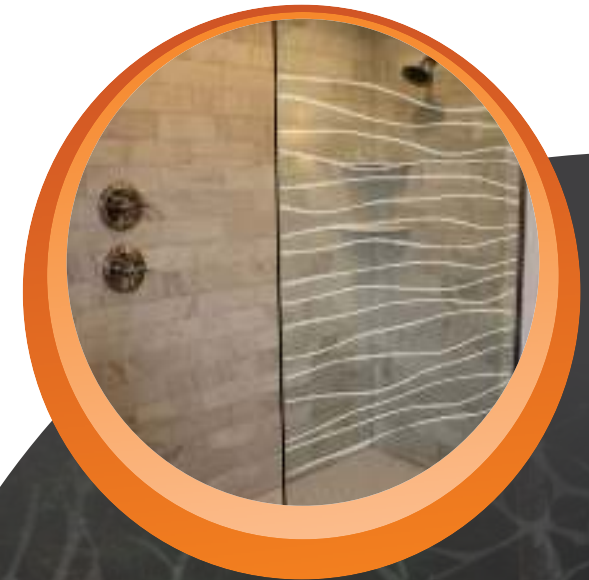

-  By using frosted vinyl it allows you to have an elegant finish to any desired room.
-  It reduces fading of any indoor objects and curtains as it breaks down heat transfer.
-  Frosted vinyl allows the flow of natural lighting while being glare free and offers privacy.
-  It reduces or traps heat depending on weather conditions allowing it to be cool in summer and warm in winter.

Frosted Vinyl can be used in the following areas:

- Office areas and boardrooms
- Kitchen and lounge areas
- Retail outlets
- Any desired window for branding
